

International Volunteer Day

Celebrate solidarity through volunteering!

This campaign highlights the power of our collective humanity to drive positive change through volunteerism. Our school cannot remain indifferent. So, we act! And we partnered with the Youth Department of the Vila Nova de Gaia City Hall of Vila Nova de Gaia and the organization “Banco Alimentar contra a fome” from Porto to feed the hope of the Portuguese who live with more difficulties.

We collect in Escola Secundária Dr. Joaquim Gomes Ferreira Alves
